Dreams~ II:I Wonder

> <meta name="Generator"> *My second poem in the dreams series

*My second poem in the dreams series. This time the narrator is Alexan's twin brother, Kea'nu (pronounced as key-nu). By the way, he's talking about the pressure he feels from people. *

I Wonder

If I had a wish,

I would wish for peace

Peace in the oh so vast and big galaxies

But is it even possible to have peace in my school?

Everyone expects too much from meâ€¦

Even my twin sister

"She says she understands, but does she, really?"

I worry about that

But then, those days being 'worried' had a different meaningâ€¦

Would Alexan find out I told everyone I know that she likes Ewan McGregor?

Or would she tell that someone is attacking Earth.

Really, these things I wonder sometimes.

I wonder too, if the people in the world have Hope.

What are we without Hope? I ask.

What are we?

* So how is it? I know it isn't very good, but hey I'm not the best witer in the world!*
